Dear Wallcut,

101

Will you call a
Board Meeting (Mass^{ts}. Socy)
for Tuesday, A.M. - (or
Wednesday, if that would
be more convenient), and
at such hour as may be
most convenient; about which,
if you consult Mr. Garrison,
or any of the Board who may
happen in, that will be
sufficient. I hope it will
be not later than Tuesday;
- and if Monday should be
preferred, that would suit
me, at 11 $\frac{1}{2}$, or any later
hour. - Please consult,
& get out the notices as
soon as you can. Do not
forget that Mrs. Nowell
of C. Port is a member of

the Board. — It will be
hardly worth while to
send a notice to Bowditch,
poor fellow, as he is doubtless
still confined at home.

Please send my letters
here up to Friday night;
— after which, to be retained.

Very truly

Yours

Larn, May 2.

We had 24 hours of
very pleasant visit from
Mrs. McKim, from
Monday p.m. to Tuesday
p.m.

Hope Mr. Wallcut
is better.
